

WISCONSIN
UNIVERSITY OF WISCONSIN-MADISON

\$8/hour

Research participants wanted!

- ▶ We are investigating the role of inheritance in the **problem solving abilities** of individuals and teams.
- ▶ Participation involves solving a problem by **playing a computer game** where you have to build tools made from different resources in order to achieve a goal.
- ▶ Each session is between **30 and 60 minutes**.
- ▶ This study involves **coming back for multiple sessions** (4) over the course of a 7-day period.
- ▶ You will be paid **\$8/hour** at the end of the study.
- ▶ Send an email to lupyanlab@psych.wisc.edu with **TOTEMS** as the subject line to begin the scheduling process.
